

CORE VALUES & BELIEFS
Davidson County Republican Party
2009-10-27

- 1. We affirm the traditional values of the American experience and believe they provide an effective and constant way for the development and improvement of society.**

- 2. We support the free enterprise system as the primary way to grow the economy, provide jobs and encourage the creative power of the individual.**

- 3. A strong national defense program is necessary for the protection of a free society.**

- 4. We support limited government with less intrusion into the private affairs of individuals and business, including the right to keep and bear arms.**

- 5. We believe government should reduce spending, lower taxes and eliminate fraud and abuse.**

- 6. We believe our laws should be written with a fundamental respect for the sanctity and beauty of life.**
